What did you find most impressive or unique about this company?

Trust is the foundation of our decade-long relationship with S.C. Enlivy S.R.L., and it's a Partnership in the word's true meaning. Robert occupied the Chief Technology Officer role for the first five years and is now our Software Development and Maintenance Partner. We could always count on Robert's professionalism and technical genius through the years. He's been highly reliable, always delivered on budget and on time, and always willing to go the extra mile to complete the task.

Another thing we appreciate about Robert is his thoroughness and honesty as a Person and Professional. His dedication to producing the highest-quality output is one of the many things we value the most about him. Robert has a proven track record with us, and as CEO of eLearnCommerce, I will not shy away from getting on the phone with anyone anywhere to speak well about Robert and how happy we are that we're working with him.

I cannot recommend Robert enough. We look forward to working with Robert for years to come.
