WooCommerce Plugin for Korean Fashion Retailer

PROJECT DETAILS

E-Commerce Development, Web Development

Feb. 2022 - Aug. 2023

$10,000 to $49,999

> *"They are very helpful in suggesting alternative solutions and very mindful of how certain changes might impact the site's performance."*

PROJECT SUMMARY

Enlivy S.R.L. developed a WooCommerce plugin for a Korean fashion retailer. The team created shortcodes to showcase products on the catalog pages and added a shop filter function.

PROJECT FEEDBACK

Enlivy S.R.L. completed the project on time and often within 24 hours. They demonstrated a clear understanding of the client's needs and requirements and were mindful of how certain changes might impact their performance.

Enlivy S.R.L.

The Client

Please describe your company and position.

I am the CEO of KKAMI

Describe what your company does in a single sentence.

We wholesale Korean fashion products to shops around the world.

Ludo Andringa
CEO, KKAMI

Consumer Products

South Korea

CLIENT RATING

5.0
Overall Score

Quality:	4.5
Schedule:	5.0
Cost:	5.0
Would Refer:	5.0

The Challenge

What specific goals or objectives did you hire Enlivy S.R.L. to accomplish?

- Develop a plugin to bulk download downloadable products
- Add functionality to weekly rank brands based on sales performance for frontend
- Added several functionalities to improve on Woocommerce

Enlivy S.R.L.

The Approach

How did you find Enlivy S.R.L.?

Codeable Site

Why did you select Enlivy S.R.L. over others?

• High ratings
• Offered a better solution

How many teammates from Enlivy S.R.L. were assigned to this project?

1 Employee

Describe the scope of work in detail. Please include a summary of key deliverables.

Implementation of a single download button on each order page where the customer can download high-resolution image files in a single zip file. The image files are downloaded from our Amazon S3 bucket.

Once implemented we added additional tasks that improved on the inherent Woocommerce functionalities.

Examples are:

• creating shortcodes to showcase related products on the product pages,
• adding labels to the shop catalog pages that help identify new releases,
• adding a shop filter function to filter down products based on their release date,
• displaying different product pricing for buyers from certain

countries,
• adding sales ranking to brand pages that update weekly, etc.

The Outcome

What were the measurable outcomes from the project that demonstrate progress or success?

Timely completion of aproject milestone. Satisfactory resolution of issues.ll

Describe their project management. Did they deliver items on time? How did they respond to your needs?

Milestones were delivered on time and often within 24 hours. They demonstrated a clear understanding of our needs and the requirements and were clear to communicate complications and challenges.

What was your primary form of communication with Enlivy S.R.L.?

Email or Messaging App

What did you find most impressive or unique about this company?

They are very helpful in suggesting alternative solutions and very mindful of how certain changes might impact the site's performance.

Are there any areas for improvement or something Enlivy S.R.L. could have done differently?

None that I can think of at this time.
